## EXPERIENCE

### UI & Graphic Designer

July 2021 - April 2022

Xlenz

- I was held responsible on user interface for an app design.
- I used to co-ordinate with the software developers and use software's & coding for designing an interface.
- I was a Team lead and used to manage and mentor the staff for their respective roles.

## PROJECTS

Project on Service Now App

- This application provides a vehicle repair service and achieves the needs and goals of end-user at their doorstep.
- Prototyping and testing techniques are used in this through the knowledge of programming language.
